Winona Forest 35th Anniversary Tourathon *Set for this Saturday in Winona Forest*

Mannsville, NY February 23, 2015 – It's been a long cold winter so far, but conditions are the best we have had in the last 10 years for this weekend's event! There's plenty happening in snow sports in Winona and a record number of people are taking part. Considered a premiere event in upstate NY, the 35th Winona Forest Tourathon, which takes place this Saturday, is an annual event but only one of many that are being held in Winona Forest this season. The Winona Forest Recreation Association (WFRA) says people are traveling from as far away as New Mexico, Canada, Pennsylvania, Maryland and other New England states to take part in this long standing tradition in Winona Forest.

Date: Saturday, February 28, 2015

Time: 8 am

Place: CCC Camp, County Rt. 90, east of Mannsville, NY.

The Winona Forest Tourathon is always a very high paced, exciting fundraising event which proceeds benefit WFRA ski trail maintenance & grooming efforts. Registration closes Feb 25 at 5pm. www.skireg.com/3729. For more information call Carolyn Rees at 315-599-7181
